OF
PALMISTRY**

Presented by

ANNE WARD

Just a beginner or want to improve your Palmistry skills then this course is for you.

- ♦ **Expand your knowledge**
- ♦ **Satisfy your curiosity**
- ♦ **Learn to use Palmistry to find out where your strengths and weaknesses lie.**
- ♦ **Read for family and friends**
- ♦ **Learn to read the palms at an intuitive level**
- ♦ **Acquire a valuable new skill.**

Curious about the Palmistry?

Then find out what your palms mean and how to read them in a safe and friendly environment.

What can Palmistry do?

Palmistry can be used for guidance in financial matters, relationships, careers, health, marriage, children and talents that we possess.

The palms give us information about the past present and future of a situation to expand and deepen our understanding of ourselves.

Palmistry awakens us to future possibilities but action is required to make these possibilities a reality.

What Palmistry does not do?

Palmistry does not take away your free will. Your future depends on your actions.

The Course:

The course starts by learning the shape of hands lines marks and timing in six easy stages, with a new addition each time. It ends by bringing all the information on your palms together to do a full reading.

This is a practical course and you will be using the palms to do readings throughout the course.

Learn Palmistry in a relaxed friendly environment

With the guidance and knowledge from Anne.
